

Hartley Primary Academy & Roundash Nursery

A Guide for Parents and Carers

Principal: Mr S Mitchell Vice-Principal: Mrs V Hayes Nursery Manager Mrs D Bordas

www.hartleyprimaryacademy.org.uk

Hartley Primary Academy A to Z 2023-2024

Date of update : June 2024

Principal's Note to Parents

To all parents new to the academy, I hope you find this A to Z a useful guide as a starting point - our website is also a source of information, news and details of events and we endeavour to update it on a regular basis.

To all our existing parents - this guide may be of interest to you too! If you have any questions about your child please talk to your child's class teacher and the school office team is also available to assist with any queries you may have.

For general advice on how you can continue to help your child:

- Read regularly to your child and encourage a love of books. Continuing to read **daily** with your child throughout their school career. This is the most fundamental and effective way of supporting their learning.
- Sleep make sure your child goes to bed at a reasonable time and preferably not using electronic gadgets at least an hour before they go to bed.
- Support homework but allow your child to work through problems with gentle encouragement and do not spend too much time completing tasks; balance is essential.
- Attendance odd days off and lateness do affect children's progress academically and socially.
- Support us in our code of behaviour.
- Respect the professionalism, integrity, knowledge, experience and expertise of the teachers and teaching assistants working with your child.
- Help in school with reading, outings, sports, DT, artwork, swimming, needlework and cookery and share any skills you have to inspire the children and have fun with them.
- Become an active member of our PTA.
- Attend not only academic review meetings but also meetings to discuss the curriculum. •

Become an active, engaged and positive member of the community we are all a part of.

This is the most valuable partnership, thank you for taking time to read this A to Z guide.

Mr S Mitchell Principal, Hartley Primary Academy

Page 2 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

Additional Educational Needs

We regard all children as having individual needs but we identify under the Code of Practice those children who need specific support.

Children identified will be initially supported within their classroom and their needs addressed by the

class teacher with advice from the Special Needs Coordinator (SENCO).

Some children may be identified as requiring additional support and advice from external agencies, for example for speech therapy, medical health, or behavioural support. An individual education plan may be required for your child. This is written and shared with the parent or carer.

As parents you will also be informed if your child is on the special needs register. A copy of the full special needs policy is available for reference in the school and on the SEND pages of our website.

Children with particular Gifts and Talents are recognised and programmes are targeted in order to challenge and stimulate extended learning.

Specialist Teacher/External Agency Referral

Occasionally children are referred to the Trust Liaison Consultation Group or KCC's Local Inclusion Forum Team where we can seek expert advice if they are experiencing difficulties which need specific evaluation and intervention. We will always consult with you if we deem it necessary to involve these agencies.

Pupil Welfare

Every effort is made by all members of staff to assist children with any kind of difficulty they may have.

Please talk to your child's teacher and contact the School Office for an appointment for any areas which need in-depth discussion.

If there is an emergency the Principal will make every effort to see you immediately. We have staff fully trained in Paediatric First Aid and all teachers are regularly trained to be 'First Aid Aware'.

Admission to Hartley Primary Academy

Your first point of contact with Hartley Primary Academy is the School Office, which is open between 8.30am and 4.00pm daily.

If you wish your child to start at Hartley, as a result of moving into the area and/or transferring from another school please place your child on the waiting list for future entrants by completing an In-Year Admission Form. Details of how to apply are available from our office staff. We are currently full in the majority of our year groups.

Page 3 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

For new Reception children a KCC 'Reception Common Application Form' will need to be completed (this is an online process), expressing Hartley as your first preference. The office staff will be pleased to answer any questions you may have. Kent County Council's website on School Admissions can be found at:

http://www.kent.gov.uk/education-and-children/schools/school-places/

primary-school-places

Our Open Mornings are held in November each year. Details of the dates and times will be published nearer to the time.

On these mornings you will have the opportunity to have a look around the school and we will answer any questions you may have.

Pupils are admitted to school in accordance with the Hartley Primary Academy Admissions Policy (http://hartleyprimaryacademy.org.uk/about-us/policies/).

Allocation of Places, School Admission Policy and Planned Admission Limit

Places will be allocated according to the published criteria in priority order:

- Children in Local Authority care
- Current family association (an elder brother or sister in the school at the time of entry) and where the family continue to live at the same address as when the sibling was offered their school place or if they have moved now live in a property that is nearer to the academy than the previous property.
- Child of a teaching or administration member of staff.
- Health reasons (for which a medical certificate may be required)
- Nearness of children's home to school.

Hartley Primary Academy has a Planned Admission Limit of 60 children per year group.

Parents do not legally have to send their children to school until the beginning of the full term that follows their 5th birthday. However, we find in practice that due to our effective transition procedures, children younger than 5 cope well in their first year with our wonderful staff who have particular skills with our youngest children.

Older children or siblings are admitted to the school only if we have a vacancy in their year group.

Parents are advised that there is no guarantee that Nursery children will be placed in the same Reception class as their friends. We have a number of criteria which are taken into account when allocating children to their new classes; friendships are not part of our defined

Page 4 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

criteria. Children attending Roundash Nursery do not take precedence over any other children when Reception places are allocated.

Attendance and Absence

Attendance at school is a parent's legal responsibility and is essential if children are to make progress - 100% attendance should be every parent's goal for their child.

Regular attendance is vital if your child is going to progress both academically and socially.

If your child is absent for any reason, it is essential that you let us know the reason by telephone by **8.45am** on the first day of absence. Please report your child's absence on the first day by ringing 01474 702742 and selecting the correct option, and then on **each day** of any subsequent absence unless discussion has taken place about your child's specific illness or condition. Please bring in confirmation of any appointment so office staff can photocopy the details. This will assist us in deciding how to record the absence; whether it is authorised or unauthorised.

The school reviews absence regularly and will contact parents where attendance falls below 95%. The Department of Education has made the decision that if a child's attendance drops below 90% they will be considered a 'persistent absentee'.

Some parents may not be aware that 90% average attendance (over the year) equates to 1 day off per fortnight - 80% average attendance over the year equates to missing 1 school day **each week**.

If you wish your child to leave school during the day for an appointment, please ensure that we are informed in advance.

School holiday dates are published regularly. Absence for holiday leave will not be granted outside of these dates. Unauthorised absences will be subject to Penalty Notices.

Bags

Hartley Book bags are recommended for children in Reception and Year 1, to carry their books and letters to and from school. Children in all other year groups should use a **drawstring bag**. Children do not need to and should not bring any other bags. Handbags, rucksacks and designer bags are **not permitted** as they are not appropriate for school and are too big to be hung on the school pegs.

Page 5 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

Behaviour

At Hartley Primary Academy we believe that good manners are vital and good behaviour is essential for effective learning.

It is also crucial that children listen to and respond positively to the directions of adults in

school.

The Behaviour Policy is published on the school website: http://hartleyprimaryacademy.org.uk/about-us/policies

We praise and celebrate good behaviour and positive attitudes with house points, certificates and trophies. Children are encouraged to make 'wise choices' and to consider the consequences of their actions on others. Children are encouraged to reflect on the Rights and Responsibilities Charter when making the right choices around behaviour.

Sanctions for poor behaviour include:

- Lesson by lesson reporting.
- Sent to Head of Key Stage, Assistant Principals, Vice Principal or Principal.
- Loss of privilege and on occasions, the loss of all or part of a playtime.
- Persistent poor standards of behaviour are discussed with parents.

The school has an Anti-Bullying Policy and operates a zero-tolerance approach to bullying. Children are encouraged to report incidents of bullying immediately. Verbal abuse, name calling or racial insults are considered equally as serious as physical bullying. Incidents of bullying are acted upon promptly and bullies are dealt with. Serious incidents of bullying or racial incidents are reported to the Trust and to the appropriate body.

Breakages

The Governors will ask parents to pay for the cost of replacing school property where damage or loss is the result of a pupil's poor behaviour.

General Rules

The following rules are designed to ensure the safety and well being of children and we ask for parents' support in their observation:

- 1. Children should walk in a quiet and orderly manner throughout the school buildings.
- 2. Sensible play activities are reinforced.
- 3. School and personal property should be cared for and respected.
- 4. Politeness and consideration for all adults and other pupils is essential at all times. 5.

Children will only be allowed to leave the school premises accompanied by their parents or an appointed adult and must be signed out by said person.

6. Children must be suitably clothed in P.E. lessons.

7. Jewellery (except watches) is not allowed in school. If worn and lost or damaged, the Trust and school do not accept responsibility.

Page 6 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

- 8. The Trust and Hartley Primary Academy do not accept responsibility for the loss of mobile phones.
- 9. Hartley is essentially a centre for education and any poor or disruptive behaviour which threatens the well being and safety of children or staff is considered a serious matter. If an improvement cannot be realised, it may be deemed necessary to follow exclusion

procedures, possibly culminating in a transfer to another school. This, fortunately, is extremely rare.

Breakfast (Squirrel) Club

We have an excellent Breakfast Club which runs from 7.30 to 8.45am each day (the cost is £3.50 per session - please note, we stop serving food at 8.20am). Children have a nutritious start to the day with the opportunity to choose from a variety of fun activities with their friends. Please ask at the School Office for more details if you are interested in enrolling your child. Unfortunately, the club cannot accept childcare vouchers at the current time. The application form is also available from our school website.

Charging Policy

The Leigh Academies Trust has the responsibility for deciding what the school's charging policy shall be. Set out below, an overview for Hartley Primary Academy. The objectives are as follows:

• To maintain the right to free school education.

• To establish that activities offered wholly or mainly during normal teaching time should be available to all pupils regardless of their parents' ability or willingness to help meet the cost. • To emphasise that there is no statutory requirement to charge for any form of education or related activity, but to give schools the discretion to charge for optional activities provided wholly or mainly out of school hours.

• To confirm the right of community schools to invite voluntary contributions for the benefit of the school, or in support of any activity organised by the school whether during or outside school hours.

A full copy of the policy can be found at: http://hartleyprimaryacademy.org.uk/about-us/policies

Charities

We support a number of charities. In recent years we have supported the Ellenor Foundation, Darent Valley Lions, Porchlight, Children In Need, Sport Relief, Comic Relief, the Kent Air Ambulance, Trussell Trust Food Bank, Macmillan Cancer Support, Link to Hope, The Alzheimer's Society and The Royal Brompton Hospital (and charities the children wish to support) have all been a focus for fundraising. The School Council is consulted with regard to charitable fundraising.

Page 7 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

Communication and Information

There are a number of opportunities for meeting and reporting:

• An informal 'pop-in' session each Monday after school - please arrange an appointment via

the School Office.

- Academic Reviews in the Autumn and Spring Terms.
- Pupil reports are issued in the latter half of the Summer Term, with the opportunity to discuss any issues that may arise.

If a teacher has concerns they will contact parents on an individual basis and arrange a meeting (please ensure all your contact details are kept up to date and any changes are lodged with the School Office).

In addition to the above, newsletters and Principal's Letters are sent out regularly and are distributed either via MCAS or given to your child to bring home as paper copies. MCASI is our preferred method for distributing information to our parents and our website is also kept regularly updated. Letters for trips and events which require your consent or payment will be available on parentpay and a notification email will be sent to parents.

Other meetings which take place in school during the year will be advertised via our school notice boards, facebook page, website and through emails.

Information from Home to School

Parents can communicate to class teachers during drop off and collection times. Our application 'Tapestry' can also be used as a medium for updating Reception staff on home learning. Further up the school parents can communicate, **regarding home learning**, via the Google Classroom and/or reading diaries. All other communications should be done via the school office and teachers should not be emailed directly.

General Queries or Concerns

We consider the partnership between school and home to be crucial to your child's well-being and academic success. If you or your child has any worries, no matter how small or trivial they may seem, please let us know. If the teacher is not immediately available we will ensure they receive a message from you and if an appointment cannot be arranged we will try to at least telephone you on the same day. Parents are encouraged to discuss queries or concerns as soon as they arise with the class teacher. A few words can usually sort out any worries and sooner rather than later!

Building on the Early Learning Goals

From September 2000, the term 'Foundation Stage' has been used to describe the phase of education from a child's third birthday to the end of the Reception year. The early learning goals set out what most children are expected to achieve by the end of the Foundation Stage. There are 7 areas of learning and development; all areas of learning and development are important and inter-connected.

Page 8 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

their capacity to learn and enabling them to form relationships and thrive are called the 3 **prime areas**: communication and language, physical development and personal, social and emotional development. We also support children in 4 **specific areas**, through which the 3 prime areas are strengthened and applied. The specific areas are: literacy; mathematics; understanding the world; and expressive arts and design.

By the end of the Foundation Stage most children will have had at least 5 terms of full-time education in a Reception class in addition to their nursery and/or pre-school experience.

At the end of Foundation Stage each child's level of development is assessed against the early learning goals. Teachers indicate whether children are meeting 'expected' levels of development, or if they are not yet reaching expected levels ('emerging'). This is the EYFS Profile.

At Hartley Primary Academy, we follow the National Curriculum for English and Mathematics in Key Stage 1 and 2. In addition, we adopt the principles of the Primary Years Programme (PYP) of the International Baccalaureate.

All of our pupils are encouraged to develop as life-long learners through the attributes set out in the IB Learner Profile, which describes a broad range of human capacities and responsibilities that go beyond academic success. At HPA we aim to affect change through empowering children, giving them voice, choice and ownership of their learning. We will develop learners who are:

- Inquirers
- Knowledgeable
- Thinkers
- Communicators
- Principled
- Open-minded
- Caring
- Risk-takers
- Balanced
- Reflective

We aim to provide exciting learning opportunities, called 'Units of Inquiry' through the delivery of six transdisciplinary themes over the course of an academic year. By following a concept and inquiry-driven curriculum, our children are given the opportunity to lead their own learning: they are presented with a 'central idea' each term and are given the opportunity to ask questions about it, which are then turned into lines of inquiry for the children to investigate.

Through its inquiry-led, transdisciplinary framework, the PYP challenges children to think for themselves and take responsibility for their learning as they explore local and global issues and opportunities in real-life contexts. By encouraging our learners to become more internationally-minded, we are preparing them not only for their transition into the next stages of their education, but to become global citizens of the 21st century.

All classes follow the National Curriculum but the method and means of delivery will depend upon the age of the children and their needs.

The children will be taught as a class, in groups or on occasions, individually. The approach will be determined by the work to be covered, the specific requirements of the subjects and the children's needs.

We are fortunate to have highly skilled and talented Higher Level Teaching Assistants and Teaching Assistants who work alongside the teacher or with defined groups or individuals to help the teachers in each year group. In the Reception and Early Years classes their work is of general support to the whole class, particularly on entry to school.

Computing

We recognise the importance of Information Technology and have worked hard to develop the resources in our own school. All classes have their own computers and access to the Internet. From September 2021, all children in Key Stage 2 have access to a Chromebook and children in Key Stage 1 access to iPads. Parents and children are required to adhere to our Acceptable Use of Technology policy. Our website is updated on a regular basis (<u>www.hartleyprimaryacademy.org.uk</u>). Pupils gather information from a variety of sources and enter and store information in a variety of ways.

The National Curriculum for computing aims to ensure that all pupils:

- Can understand and apply the fundamental principles and concepts of computer science, including abstraction, logic, algorithms and data representation.
- Can analyse problems in computational terms, and have repeated practical experience of writing computer programs in order to solve such problems.
- Can evaluate and apply Information Technology, including new or unfamiliar technologies, analytically to solve problems.
- Can understand programming and coding.

The school has a policy for responsible Internet use. Children are not allowed to access the Internet unsupervised and we use an approved, filtered Internet provider. Using the internet safely is a key element of our programmes of study.

Mathematics

Our mathematics curriculum has been designed with the intent that our children will become resilient, independent, confident and fluent mathematicians. At Hartley, we want our children to love maths, to enjoy learning about maths and to see the real life value of maths throughout their lives. We want our children to be resilient in the face of challenging problems, to have a suite of methods to turn to when solving these and to be able to verbalise their thinking and reasoning behind their mathematical choices. We want our children to be fluent in mental

maths; to do this, they need a secure understanding of numbers (especially to 10, including bonds to ten) early on in their mathematical journeys. They will be able to work efficiently and confidently

Page 10 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

aim to link maths to the PYP units of inquiry wherever possible, further cementing the fact that maths is a transdisciplinary subject that is worldwide and ongoing. Our teachers will ensure that the National Curriculum expectations are taught each year via exciting, creative and inspiring maths lessons.

Times tables are of vital importance and there is a DfE expectation that all children should, by the end of Year 4, know all their times tables up to 12x12. Please support your child by helping them learn their times tables at home.

PSHE - Personal, Social and Health Education and Citizenship

In all aspects of school life, we aim to promote the personal and social development of children. We aim to develop an understanding of how to look after themselves, basic life skills, and interpersonal skills and to encourage them to lead confident, healthy, independent lives. Visitors from the world of work are invited into assemblies to share experiences to broaden the children's understanding of future opportunities. At Hartley, we follow the Jigsaw PSHE scheme of work - please see our website for our PSHE policy.

Responsible citizenship in terms of respect for others, appreciation of diversity and differences will be firmly embedded in all our teaching. This might be taught in Circle Time, through assemblies, discreet lessons and small group activities.

Religious Education

Assemblies follow a different pattern each day and can include religious content relating to different faiths and beliefs. The aim of assemblies is to inspire the children through stories, visitors, presentations and shared experiences encouraging reflection, celebration and the building of self worth.

In class we follow the Kent Agreed Syllabus for Religious Education. This syllabus develops knowledge of Christianity and of other religions supporting the aim of the school in developing children's understanding, tolerance and respect of others.

Swimming

It is a mandatory requirement of the National Curriculum that children are given the opportunity to learn to swim at least 25 metres. Swimming will be offered during a term in years 2, 3 and 4. Parents are asked to contribute to the cost of transport and tuition. No child will be prevented from going swimming for financial reasons and no child can be excused without medical evidence.

Homework and Home Learning Activities

We believe that homework should be used to reinforce children's schoolwork. However, there must be time for children to pursue their own interests and clubs outside school.

We aim:

• To develop positive attitudes toward home learning.

• To enable parents to share in the life of the school and their child's learning journey. • To encourage a sense of pride and achievement.

Home Learning is set for all children and is set appropriately for each year group. Maths and English activities are set on the Google Classroom for Years 1 to 6 and children are expected to read at least five times a week. Termly 'Units of Inquiry' projects are set which allow children to make their own choices about the way to present their learning. If you find there are problems with Home Learning do not hesitate to contact the class teacher and discuss the difficulty.

Involving Parents in Our Learning

We welcome suggestions from parents as to how we can support them in supporting their children. From time to time we run workshops to support parents in helping their children at home.

Assessment

The most valuable assessment of pupils' work is that done by their teacher, in consultation with the child which involves questioning and observing. Pupils are encouraged to evaluate their own work and are fully involved in the assessment process, helping to set targets for future attainment. This enables pupils to understand how to improve their performance. In addition to this important process, pupils are given tests in various subjects to monitor their progress.

At the end of Foundation Stage, children's attainment in relation to the early learning goals (ELG) are assessed as well as a short narrative describing the child's characteristics of effective learning.

National Curriculum Assessment of children's attainment takes place in the Summer term for Years 1, 2, 4 and 6:

- Year 1 children take a Phonics test to see whether they have achieved the national expected level in phonics.
- At the end of Year 2, children take a National SATs test for reading and maths and are teacher assessed for writing and science. Those children who did not achieve the threshold in phonics in Year 1 will also be retested in phonics.
- Year 4 complete a Times Tables assessment.
- Year 6 take the National Curriculum SATs test for reading, maths and English grammar, punctuation and spelling and are teacher assessed for writing and science.

Extra-Curricular Activities

The school offers a range of extra-curricular activities.

These include visits to:

- Museums
- Theatres
 - Visitors to school
- Field study centres
- Activity Centres (Residential UK based)

Page 12 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

- Theatre groups
- Charity representatives
- Authors and Storytellers

• Outdoor Learning

- Community visitors
- Musicians
 - People from the world of work

Clubs (which vary during the year) include:

- Football
- Netball
- Science
- Rounders
- Tap Dancing
- Art and Craft
- Fitness

- Mindfulness/Colouring
- Story Club
- ICT
- Singing
- Gardening
- Board Games

Children regularly participate in inter-school Matches and tournaments managed through our affiliation with Take Pride.

Free School Meals

You may be entitled to qualify for free meals if you are on income support. Please ask the School Office for a form. All enquiries will be treated in confidence. We can assist you with your application and liaise with Kent County Council on your behalf. The school receives significant funding for children on free school meals – enabling the school to specifically focus on the teaching and learning of these children.

Governance

The Board of Governors of Leigh Academies Trust has a range of powers and responsibilities which it is legally required to carry out, working in a close and balanced partnership with the Chief Executive and Principals - to ensure that we provide the best possible education for our pupils.

Further details about presentation and each board, as well as information about the Hartley Development Group can be found on our website:

http://hartleyprimaryacademy.org.uk/about-us/governing-body/

Governors can be contacted c/o Hartley Primary Academy.

Page 13 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

Jewellery

Children should not be wearing jewellery in school. If children are wearing a watch it remains the child's responsibility throughout the day. Small 'stud' earrings are acceptable for children who have newly-pierced ears. Jewellery must be removed or earrings covered with micropore tape (each child must bring their own supply) for P.E. We have no means of storing items securely, therefore we strongly recommend that jewellery is left at home on P.E. days. We are not allowed to remove or assist with replacing stud earrings.

Learning - Helping Your Child

Reading

Parents help their children enormously by encouraging a positive attitude to school and by supporting their children's enthusiasm and desire to learn. Listed below are a few examples suggesting how you can work in partnership with the school to support your child's learning.

Sharing Books

Try To...

- Choose a time when you are relaxed and able to give your undivided attention.
- When reading a new book together, while your child is still in the initial stages of learning to read, it is helpful if the adult reads it aloud to their child before the child attempts to read it.
- Praise what your child can do build confidence at every opportunity.
- Make it enjoyable for both of you enjoy the book, it is not just about getting the words right.
- Keep each session short and stop as soon as your child seems bored/tired. Help your child if

they are struggling with a word.

- Encourage your child to concentrate on the meaning of what he/she is reading and to make a sensible guess at an unknown word.
- Be patient stay at the right pace for your child.
- Remember there are many sources of reading other than books brought home from school, for example, magazines, instruction manuals and children's newspapers. Please make use of

your local library!

• Remember it is just as important to read every day to your child as it is to hear them read. Children access good literature through hearing it read either by an adult or able reader or by listening to audio books. Reading should be a positive and nurturing experience and is a perfect activity as part of a bedtime routine.

Try Not To...

Page 14 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

- Get anxious about your child's reading. It is more important that the children enjoy books this will help them to become enthusiastic readers.
- Criticise your child's reading or urge them to try harder.
- Spoil a story by making it a word recognition contest. Try looking at the picture and pointing to visual clues that may help a child realise what a word says.
- Insist that every word is correct getting the meaning is far more important e.g. reading home for house, car for coach.
- Make comparisons with other children's progress or encourage children to be competitive about reading.
- Worry if your child re-reads books or chooses easy ones; this builds confidence and provides security.
- Sound out every word our English language means that some words can only be learned by sight.

PLEASE DO NOT purchase the school reading scheme books to read at home. These books serve a purpose in structuring the acquisition of skills, but far more effective in creating a love for reading are 'real' books that you choose with your child in the library or in a bookshop and share together. Each year group has published the top 100 reads on their year group section of the website.

CHILDREN SHOULD BE ENCOURAGED BY THEIR PARENTS TO READ EVERY DAY - UNTIL YEAR 6 AND BEYOND!

Lunch Time Arrangements

We are fortunate to have our own kitchen and catering arrangements which are managed by Cucina. The midday meal consists of 2 courses with a vegetarian choice followed by a choice of pudding including fruit. Parents can select their child's lunch choices up to a term in advance using Parentpay. The present price of a meal is £2.45 per day for Nursery and £2.50 per day for all other year groups. Payment (if applicable) is also made via Parentpay.

Under the government's current Universal Free School Meals scheme all Key Stage 1 children (Reception, Years 1 and 2) are entitled to a free school lunch. Children will be automatically registered unless you inform us that you would prefer your child to bring a packed lunch every

day.

Midday Supervisors

Our Lunchtime Supervisors do an excellent job, monitoring reluctant eaters, reinforcing good manners and ensuring and leading safe play. Their role is very complex and we are lucky to have such a committed team.

Medication

Page 15 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

If your child is on a course of medication you must make arrangements to have an adult come into school to administer the medicine. We are not allowed to administer medicine unless there is an agreed Health Plan which has been drawn up in conjunction with the School Nurse. Health Plans are usually for children with ongoing medical conditions such as asthma, epilepsy, severe allergies, etc. All medication held in school must be accompanied by the appropriate paperwork signed off by the child's parent.

Please refer to our website for a comprehensive overview of our Medical Policy and its associated appendices: http://hartleyprimaryacademy.org.uk/about-us/policies

Mobile Phones and other Electronic Devices

Mobile phones are not allowed in school. Year 5&6 children (who may intend to walk home from school) should hand their phones to their class teacher at the start of the day. If mobiles or other electronic items are brought in without our knowledge we cannot accept responsibility for loss or damage. There is no secure storage on site. Parents will be asked to complete a form to acknowledge that their child brings a phone into school.

Outdoor Learning

Our Foundation Stage pupils take part in Forest Schools (we will advise you of dates and further details of Forest Schools when your child starts with us). Our children in Years 1 to 6 will take part in Outdoor Learning lessons throughout the school year. We have waterproofs available for children to use but ask that Wellington boots are provided. We have provision for them to be kept at school, although they just be brought in when required.

Packed Lunch

Your child may choose to bring a packed lunch from home or have a school meal. There is no notice period required if changing from one to the other.

If your child is allergic to any particular food, please inform us. Children may bring their lunch and drink in a named plastic container. As a Healthy School, we ask that only milk, fruit juice or water is provided in school and please, no fizzy drinks. **Packed lunches must not contain sweets, nuts, chocolate bars, hazelnut and chocolate spreads etc.**, although a biscuit is allowed. We are governed by the Healthy School guidelines for food in school and some of our children have severe

nut allergies and nut-based foods would put them at risk.

Parent Teacher Association (PTA)

We are extremely fortunate to have an active PTA at Hartley which raises funds to support the school and organises events for both children and adults. Over the years the PTA has provided the school with a great deal of equipment as well as giving much needed support in numerous other ways. The PTA plays a key role in raising significant funds to provide additional educational resources, playground equipment, ICT hardware, Interactive Whiteboards, annual software subscriptions and so on. Recently, the PTA purchased a large outdoor classroom which is in use on a frequent basis. The PTA organise a number of social events throughout the school year for our

```
Page 16 of 32 Version 1.0
Hartley Primary Academy A to Z 2023-2024
```

children and their families including: summer and Christmas fairs, quiz nights, movie nights and school discos. All our parents are automatically part of our PTA.

Personal Property

Please make sure all uniforms are named. If it is **NOT** named it is very difficult to reunite children with lost property! The academy accepts no liability for personal property with regard to loss.

Lost Property is usually collected in black bins, which are located in the Link Corridor. Parents can come into school to look in the bins to find missing clothing.

Rights and Responsibilities Charter

Rights and Responsibilities at Hartley! WE AGREE...

We have the right to be safe

We have the responsibility not to hurt others.

We will not hurt other people's bodies or feelings, or play fighting games at play time.

We have the right to be respected

We have the responsibility to not offend or be rude to others. We will not be rude, use bad language or be disrespectful to children and adults.

We have the right to learn

We have the responsibility to behave sensibly and keep a good learning environment. We will not disrupt learning time with behaviour that is not welcome by others.

We have the right to be heard

We have the responsibility to listen.

We will not talk over other people or argue with staff, we will listen and be polite at all times.

We have the right to be happy

We have the responsibility to be kind and to help others be happy.

We will always be kind and considerate of others.

School Council

Each year group selects 2 representatives to attend the School Council. Children at Hartley Primary Academy have a voice which is heard and acted upon. The School Council meets regularly, children are consulted and their views are very important.

Starting School - Reception Class

The induction programme for all Reception children and their parents takes place in the Summer Term prior to starting school the following September. Children will have the opportunity to visit the school to meet their teachers and mix with children who will be in their class. Parents will be given more information about what we provide for our children by way of information packs distributed at the 'New Reception Parents Evening' which is held in June each year and all parents of children who have been offered a place and accepted, will be invited. We choose an evening meeting to ensure the majority of parents are able to attend. At this event you will have the opportunity to ask questions and meet many of the people who will be responsible for various aspects of your child's education and development, as well as finding out about our catering services and Breakfast Club provision.

In addition, Home Visits will be scheduled early in September, where your child's class teacher and teaching assistant will discuss with you any specific needs your child may have.

Page 19 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

It is really important, particularly for your child's confidence, if, by the time they start school, they are able to:

- Go to the toilet without assistance;
- Use a knife, fork and spoon and have basic table manners;
- Dress and undress themselves;
- Understand and follow simple instructions;
- Show respect for all adults in school;
- Recognise their name in its written form.

Reception is a crucial year where many assessments are carried out in order that teachers can ensure the most appropriate programme of learning for each child. Additionally, it is a year where social interaction and relationships are observed closely. We ask that parents also show respect for all of the adults in school who have a wealth of experience and expertise.

At the end of the Reception year we revisit the structure of the classes and make changes before the beginning of Year 1 in order to ensure an even spread of ability in both classes as well as positive social and working relationships.

What to Bring With You on Your First Day

On the first day at school it will be useful for you to bring your child, wearing school uniform into school with:

• A Book Bag (Hartley Primary Academy book bags can be purchased via Brigade). • A bottle of water. We only allow **water** in class-based drinks bottles, no squash or sweetened drinks.

Under the government's current Universal Free School Meals scheme all Key Stage 1 children (Reception, Years 1 and 2) are entitled to a free school lunch. Children will be automatically registered unless you inform us that you would prefer your child to bring a packed lunch every day.

If you are in receipt of state benefits and think you may be entitled to Free School Meals please

contact the School Office. We can assist you with your application and liaise with Kent County Council on your behalf. It is important parents apply for this despite the Universal Free School Meals scheme because extra funds can be secured to support your child.

Please note we do not allow children to bring toys into school to play with as they may get lost, damaged or broken.

Timing of the School Day

Teaching Time

Teaching time excluding assemblies, play times, lunch breaks and registration is as follows:

Key Stage 1 (Infants) 22.05 hours a week. Key Stage 2 (Juniors) 24.10 hours a week.

Page 20 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

Timetable for Foundation Stage (Reception):

08:45 – 09:00 Registration 09:00 - 11:55 Morning Session 11:55 - 12:55 LUNCH 12:55 – 15:15 Afternoon Session

Timetable for Key Stage 1 (Years 1 & 2):

08:45 - 10:25 **Registration and 1**st Session 10:25 - 10:40 **BREAK** 10:40 - 12:00 **2nd Session** 12:00 - 13:00 **LUNCH** 13:00 - 14:15 **1**st **Afternoon Session** 14:15 - 14:30 **BREAK** 14:30 - 15:20 **Final Session**

Timetable for Key Stage 2 (Years 3-6)

08:45 - 10:45 **Registration and 1**st Session 10:45 - 11:00 **BREAK** 11:00 - 12:30 **2nd Session** 12:30 - 13:30 **LUNCH** 13:30 - 15:30 **3**rd Session

KS2 may be given an afternoon play on occasions, at the teacher's discretion.

School gates open at 8.35am.

We operate a one way system around the school. Entry is from Roundash Way or Chantry Avenue. Parents of Reception to Year 4 children need to escort their children around the building to their classroom door, then proceed to exit the school grounds via the lower field gate. Their parents can exit onto Roundash Way or walk across the top playground and up the path to Chantry Avenue.

School starts at **8.45am**. Therefore, at **8.40am** children should be ready to enter via their classroom door. When the door opens children will go in and start learning activities. Teachers and TAs will be in their classrooms waiting to welcome the children into school. Learning activities are provided for the children from **8:45am**. Children who arrive in class (not the playground) later than **8.45am** must be signed in by an adult at the School Office and are marked as '**late**' in the register.

Page 21 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

Collection

Teachers will escort children from the classroom to the playground where they will stay with the children until they are collected by their designated adult. It is essential that parents let us know if there is a change in arrangements before **3pm** so we are able to get messages to the relevant class teacher. Please could we ask that parents/grandparents wait behind the lines painted on the playground to ensure teachers can safely deliver the children to the adult collecting them.

Late Collection from School

Occasionally parents are unavoidably delayed. If this happens, please telephone the school and we will arrange for your child to wait at the office until you arrive. If you are going to be more than 10 minutes late, please make arrangements for a nominated contact to collect your child/children. **Children who are not collected from the playground must be signed out by an adult.**

Supervision on the school grounds at the Beginning and End of the Day

Children of any age (including pre-school) must not ride scooters or bikes on the playground, or along pathways in the school grounds. Ball games and games of chase are not allowed. If you are using the woodland path children must stay with parents and not run through the woods.

The woods and the playing fields are out-of-bounds at the end of the day; these are learning areas where children have often created constructions ready to revisit the next day and these must not be disturbed or damaged.

Break Times

You will see that play times and lunchtimes are 'staggered' so that our youngest children do not share a playground with the Junior children. We also make arrangements for our older children to support those lower down the school by appointing 'Playground Buddies'. Fruit will be provided for children in KS1 as part of the healthy school initiative. Children in Reception under the age of 5 years receive free milk. Parents of children over 5 years and throughout the rest of the school may purchase milk at a small charge: please ask the School Office for an application form. Junior children do not benefit from the free fruit scheme but we encourage our children to bring **a piece of fruit to** eat at playtime. Biscuits, crisps etc. are not permitted under our Healthy School policy.

Transferring from Another School

It is important that your child has a successful start in their new school. Your child might find a 'taster day' with the class is helpful and enables them to start thinking positively about a change in school and forming new friendships. Individual meetings with parents and school staff can be arranged prior to your child starting with us if necessary.

Transferring to Secondary Education

At the age of 11 all children transfer to secondary school. A Parent Consultation Evening will be held at the end of Year 5 to provide information about the transfer to the next school. The Local Authority provides information regarding the secondary schools available in the area. The receiving

Page 22 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

schools have good induction procedures, where visits are made to the primary school to talk to the pupils transferring. Future and potential pupils have an opportunity to make day and evening visits.

Uniform

We are proud of our school uniform. It is designed to be simple and practical and solves the daily problem of what to wear – it is not a fashion statement! More importantly it gives a sense of belonging and pride.

Uniform:

- Grey or black trousers/tailored shorts/skirt or pinafore dress/summer dress red check.
- White shirt/polo shirt which must be worn tucked in.
- Red sweatshirt/cardigan/fleece.
- Black shoes not trainers. No open toed or backless shoes.
- Grey/black/white socks or red/grey/black tights.

For Outdoor Learning – please ensure children have wellies and waterproofs/outdoor coats, thank you.

PE & Games Uniform

Children come into school wearing their P.E kits on their P.E days.

Kit for all children:

• **Plain** black tracksuit/black shorts in warmer weather (no big logos, patterns, etc) • Suitable sports trainers. (For Infant children these should fasten with Velcro.) • P.E. T-shirt in

Jewellery such as watches and stud earrings must be removed and hair must be tied

back. Trainers are not allowed except for P.E.

Uniform, including school sweatshirts/polo shirts and P.E. shirts bearing the school logo can be purchased online via Brigade: www.brigade uniform direct.uk.com. Non-branded uniforms are acceptable and are available from major retail outlets.

Nail Varnish, Hair Gel, Hair Colours and other Fashion Accessories

We understand that young people enjoy dressing up, trying out different 'looks' and new effects but this is not appropriate in school. We ask that nail varnish, temporary tattoos, make-up, coloured hair and extreme hairstyles are reserved for weekends and holidays. Hairbands should not be embellished with bows, glitter, flowers or other decorations.

Page 23 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

Walking to and from School Alone:

Protocol for Collecting Children from School at the End of the Day and Safeguarding Pupils

There are no laws around age or distance of walking to school. A family's guide to the law states:

"There is no law prohibiting children from being out on their own at any age. It is a matter of judgement for parents to decide when children can play out on their own, walk to the shops or school."

Parents are legally obliged to ensure their children get to school and attend regularly, but this in itself does not disallow independent travel. However, as a school, we are responsible for the welfare of our pupils and therefore have to consider what we believe is good practice in ensuring the safety of our pupils. We also have an obligation to alert relevant authorities should we believe a child's welfare is at risk.

In setting our protocol for collecting children we have taken advice from the:

DfE that states:

- It is for each school to decide, and enforce its own pupil collection policy and request that parent/carers formalise collection arrangements in writing.
- The school is not responsible for a child's safety on his or her way home.

NSPCC that states:

• Children under eight can't judge the speed and distance of moving vehicles. They still need help when crossing roads.

All Pupils

- Permission and arrangements for children leaving the school at the end of the day will be confirmed in writing by the parent/carer.
- All children must be collected from After School Clubs by an adult unless written permission is given for the child to walk home.
- No adult other than those named will be allowed to leave the school with a child. In the event that someone else should arrive without prior knowledge, the school will telephone the parent/carer immediately and await their advice.
- If a child is to be collected before the end of the school day, the school is to be notified on the same morning. On arrival at school to collect the child the parent/carer will report to the School Office. The child will then be brought, by staff, to the reception to be taken home by the parent/carer.
- If the person who normally picks a child up is not doing so then a note should be sent to school to inform us who is to pick up that day.
- Should arrangements change during the day the school should be contacted by telephone. If the parent/carer or alternative nominated adult is going to be late to collect their child, they should let the school know as soon as possible. We will keep children in school until their arrival.

Page 24 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

Pupils in Foundation Stage or Key Stage 1 (Years 1 & 2)

All children in EYFS (Early Years Foundation Stage) and Key Stage 1 should be picked up from the school site by a known adult or siblings **provided they are 16 years old or above**.

Pupils in Key Stage 2 (Years 3, 4, 5 & 6)

There is no set age when children are ready to walk to school or home on their own. It very much depends on their maturity and confidence. Knowing that children under the age of eight can't judge the speed or distance of moving vehicles we expect Year 3 & 4 children to be brought to and collected from school. Children should be picked up from the school site by a known adult or siblings provided they are 16 years old or above. If your child has a sibling at secondary school who is younger than 16, you can write a letter of permission to the school allowing your child to be collected by them.

Walking Home Alone

We advise parents to think about whether your child is ready to walk to and from school and assess any risks associated with the route and your child's confidence.

In deciding whether your child is ready to walk to school you should assess any risks associated with the route and your child's confidence. Work with your children to build up their independence while walking to school through route finding, road safety skills and general awareness.

There are lots of ways you can prepare your child to make an independent journey. Children who are driven to school do not have the opportunity to develop road awareness and are therefore more vulnerable when they start to walk to school independently. Walking to school is a great opportunity to learn road safety skills. The best way to do this is to walk with your children from a young age, teaching them about crossing the road, learning how to navigate and a host of other skills. This helps them gain the experience and self-assurance to deal with traffic and way-finding on their own, in preparation for walking with friends or alone when they are older.

Teach your child to:

• Pay attention to traffic at all times when crossing the street; never become distracted. • Always cross at the intersection where there are traffic lights; do not cross in the middle of the road. Alternatively, cross in a place where you can see clearly in all directions. Avoid parked cars or bends in the road.

- Look both ways before crossing; listen for traffic coming and cross while keeping an eye on traffic.
- Look out for cyclists.
- Remember that drivers may not see a child, even if the child can see the driver.
- Remember that it is hard to judge the speed of a car so be cautious.
- Never, ever, follow someone who is either a stranger or someone they know but is not a designated "safe" adult. (A safe adult is someone who has been previously agreed upon by you and your child to be safe, such as a grandparent or trusted neighbour.) If that person tries to convince the child to go with him or tries to physically get close, then scream, "Help! This is not my dad!" or "Help! This is not my mum!" and run away. If they grab them, tell your child to kick, punch, and hit as hard as they can.

Page 25 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

When deciding whether your child is ready for this responsibility you might want to consider the following:

- Do you trust them to walk straight home?
- Do you trust them to behave sensibly when with a friend?
- Are they road safety aware?
- Would they know what to do if a stranger approaches them?
- Would they have the confidence to refuse to do what a stranger asked?
- Would they know the best action to take if a stranger tried to make them do something they didn't want to do (scream, shout, kick or fight)?
- Would they know what to do if they needed help?
- Would they know who best to approach to get help?

If you are not confident about how your child would react then you should seriously consider whether you should allow them to walk on their own. If the parents of Year 5 & 6 pupils wish their children to walk home alone the school must be informed of this **in writing**. If we have no note then children **must** be picked up from the playground.

Your child will also be responsible for their behaviour whilst on the school premises either before or after school. Should their behaviour not be acceptable you will be asked to accompany or collect them until they have proved they can be trusted again.

The following procedures will be followed for any child who is not picked up

- The child will remain with the class teacher for up to **10** minutes.
- After 10 minutes the child should be taken to the School Office. The administrative team in the School Office will contact the parents by telephone.

• If other contacts are given on the child's confidential sheet, they will be contacted. • If no contact can be made with the emergency contact or parents the school will continue to try and make contact for a reasonable amount of time until **4.30pm**, at the latest. • After **4.30pm**, if we have **not** been able to make contact then Social Services will be contacted for advice.

- Two members of school staff (which should include at least one Senior Member of Staff) will remain at school until Social Services make their decision as to whether it is a case of abandonment.
- The school will ensure that these protocols have been followed by staff and a note of all calls will be completed.
- If a child is frequently not collected on time then the Educational Welfare Officer (EWO) will be contacted.
- NO CHILD WILL EVER BE LEFT ON THE SCHOOL PREMISES UNATTENDED.

Page 26 of 32 Version 1.0

Hartley Primary Academy A to Z 2023-2024

The following procedure will be followed if any child is picked up by an allegedly impaired person.

- If the person picking up a child is, in the judgement of staff, impaired (under the influence of drugs or alcohol) and unable to adequately care for the child, the staff will not release the child to that person
- The child will be taken to the School Office and the Principal, Vice Principal or a Senior Member of Staff will offer to call a relative or friend to pick up the person and child. • If no contact can be made, then Social Services will be contacted for advice and in some cases the police called.

IF AT ANY TIME YOU NEED TO CHANGE ARRANGEMENTS YOU HAVE MADE PLEASE ENSURE YOU LET THE SCHOOL KNOW BY COMPLETING THE APPROPRIATE FORM IMMEDIATELY.

Water in School

We encourage children to **bring water in a named plastic drinks bottle** from home, daily. These can be kept in the classroom and the children have ready access to them. Water is the only drink we are permitted to allow in school, except in packed lunches, where fruit juices are allowed. Additionally, all classroom taps provide drinking water.

Weather (Severe) Conditions

If severe weather conditions indicate that staff and children may have difficulty getting into school, we shall notify the local radio. In the event the weather deteriorates during the school day, we will contact parents via text, email, our website and/or by phone. The Principal, Vice Principal or other

authorised person will remain at school until all children have been safely collected. Information can be obtained from our website **www.hartleyprimaryacademy.org.uk** or we advise parents to listen to Radio Kent- 96.7 and 104.2 FM or Invicta Radio-102.8 and 103.1 FM.

Equality and Accessibility

The staff at Hartley Primary Academy are committed to providing the full range of opportunities for all pupils regardless of gender, disability, ethnicity, social, cultural or religious background. All pupils have equal access to the curriculum, and the right to a learning environment, which dispels ignorance, prejudice and stereotyping.

- The Leigh Academies Trust of which we are part, is required to report any incidents of racism and bullying to the appropriate authority.
- The entire community has the right to protection from insult, abuse and bullying of any kind.
- Parents who are rude or aggressive towards staff will be asked to leave the school premises and may be banned from further attendance at school.

Arrangements for Pupils with Physical or Sensory Impairment

Prospective parents are asked to discuss with Foundation Stage teachers, Key Stage 1 Leader and the SENCO the details of the impairment so that if the school is able to offer a suitable placement or any adjustments to the physical environment or minor adaptations may be made. We would wish a

Page 27 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

child once they are offered a place to be able to access the curriculum fully and take a complete part in the life of the school.

Admission to Hartley Primary Academy (Nursery Places)

Your first point of contact with Hartley Primary Academy is the School Office, which is open between 8.30am and 4.00pm daily.

We hold an Open Afternoon for parents to come and look around the nursery setting. On this afternoon you will have the opportunity to have a look around the nursery and we will answer any questions you may have.

Please ask the Nursery for an application form so we can retain contact details to progress any future application.

Attendance and Absence

If you have booked sessions for your child it is very important that your child regularly attends - regular attendance means your child will progress both academically and socially.

If your child is absent from school for any reason, it is essential you let us know the reason by telephone by 9.00am on the first day of absence. Please report your child's absence on the first day by ringing 01474 702742 and selecting the Nursery option, and then on each day of any subsequent absence unless discussion has taken place about your child's specific illness or condition.

If you wish your child to leave nursery during the day for an appointment, please ensure that we are informed in advance.

School holiday dates are published regularly and are uploaded to the school

website.

Charging Fee

The fees are payable half-termly in advance (please ask the school office for costs). Fees must still be paid if children are absent without notice for a short period of time. If your child has to be absent over a long period of time, please talk to the Nursery Manager or the Administrator.

For a fee paying child to keep her/his place at the setting, you must pay the fees. We are in receipt of Free Early Education funding for three and four year olds; if you are not claiming funding with Roundash Nursery then fees apply.

Please refer to Appendix A for further information about Free Early Education.

If you collect your child later than their finish time (11.45am, 2.45pm or 3.30pm) then you will be charged £5 for every 5 minutes you are late.

Page 29 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

Information from Home to School

Parents can communicate to Nursery staff during drop off and collection times. Our application 'Tapestry' can also be used as a medium for updating the Nursery team (and in Reception) on home learning. All parents will be asked to complete online questionnaires which are issued regularly and the results are published on our websInvolving Parents in Our Learning

We welcome suggestions from parents as to how we can support them in supporting their children. From time to time we run workshops to support parents in helping their children at home.

Roundash Nursery recognises parents as the first and most important educators of their children. All of the staff see themselves as partners with parents in providing care and education for their child.

At Roundash Nursery we maintain the ratio of adults to children in the setting that is set by the Safeguarding and Welfare Requirements. We welcome volunteer parent helpers where possible.

Involving Parents in Our Learning

We welcome suggestions from parents as to how we can support them in supporting their children. From time to time we run workshops to support parents in helping their children at home.

Roundash Nursery recognises parents as the first and most important educators of their children. All of the staff see themselves as partners with parents in providing care and education for their child.

At Roundash Nursery we maintain the ratio of adults to children in the setting that is set by the Safeguarding and Welfare Requirements. We welcome volunteer parent helpers where possible. Starting at Roundash Nursery

The first days:

We want your child to feel happy and safe with us. To make sure that this is the case, the staff will work with you to decide on how to help your child to settle into the setting. Our policy on the Role of the Key Person and Settling-in is available from the manager or administrator.

Page 30 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

Drop-off and Collection

Please wait outside the setting until staff come to collect you at 8.45am. If you have elected for your child to start earlier at 8.30am, please take your child to the door of the nursery.

The side access gate to the nursery (via the staff car park) will close at 9.15am. After this time you must report to the School Office. Please ensure you drop your child into the nursery before this time to avoid further disruption when staff have to leave the setting to escort you and your child from the School Office (for safeguarding the site must ensure all access gates are locked).

At the end of the nursery session please collect your child on time - the side access gate will remain open during this period. If you are late to collect your child a late charge will apply - £5.00 after 5 minutes later than official collection time and then £5.00 per 5 minutes thereafter.

We hope that you and your child enjoy being part of Roundash and that you both find taking part in our activities interesting and stimulating. The staff are always ready and willing to talk with you about your ideas, views or questions.

Our Email address is: Nursery@hartleyprimary.org.uk

Timetable and Routines at Roundash Nursery

We believe that care and education are equally important in the experience which we offer children. The routines and activities that make up the day in the setting are provided in ways that:

- Help each child to feel that she/he is a valued member of the setting;
- Ensure the safety of each child;
- Help children to gain from the social experience of being part of a group; and
- Provide children with opportunities to learn and help them to value learning.

We organise our sessions so the children can choose from, and work at, a range of activities and, in doing so, build up their ability to select and work through a task to its completion. The children are also helped and encouraged to take part in adult-led small and large group activities which introduce them to new experiences and help them to gain new skills, as well as helping them to learn to work with others.

Outdoor activities contribute to children's health, their physical development and their knowledge of the world around them. The children have the opportunity, and are encouraged, to take part in outdoor child-initiated and adult-led activities, as well as those provided in the **indoor playroom**. We have excellent outdoor learning facilities and can access areas within the main school environment as appropriate.

Page 31 of 32 Version 1.0 Hartley Primary Academy A to Z 2023-2024

Roundash Nursery session times are as follows:

Monday to Friday All day Session: 8.45am-2.45am (child must bring a packed lunch with them) Morning Session 8.45am – 11.45am Afternoon Session 12.30pm - 3.30pm. We do offer an early drop off and a late pick up at a charge. Early drop off- 8.30am-8.45am at a charge of £2 Late pick up 2.45pm-3.30pm at a charge of £4

Transferring from Another Nursery

It is important that your child has a successful start in their new setting. Your child might find a 'taster day' with the class is helpful and enables them to start thinking positively about a change in nursery and forming new friendships. Individual meetings with parents and nursery staff can be arranged prior to your child starting with us if necessary.

Page 32 of 32 Version 1.0
